

Dear Parents/Guardians,

With the situation as it is all around, we feel it is necessary to have a "no change" policy in place. There is a system that you may use to make deposits in your child's account which is, www.payforit.net . Using this account enables you to check when the student account is getting low and to see what they are spending their money on. If you choose to use this account, you will need to contact us to get their student ID number to set it up.

From this point forward, it will be policy to deposit all money in each student's account.
Effective Tuesday, September 8, 2020.

Remember that students in the Middle/High school are able to charge one meal; Elementary students may charge two meals. It is important to send money with your child to pay the charge as soon as you can. It is our goal to work with you to make this an enjoyable experience for your child/ren.

Thank you,

Jenny Blankenship,
Food Service Director
