### BOARD'S RECOMMENDATIONS:

1. **Communications/Visitors** Missy Smart addressed the board regarding remote learning as a teacher, parent, and community member. Mrs. Smart expressed concern that parents were taking advantage of remote learning and using it in a way it was not intended, keeping their children as remote learners because their kids perform better academically with remote learning rather than keeping them home out of a fear of the coronavirus. Mrs. Smart also expressed concern regarding remote learners' eligibility to participate in sports. Mrs. Smart was of the opinion that remote learners should not be eligible to participate in sports as there is no way athletic practices have the same or better safety precautions than she does in her classroom. Marla Reynolds addressed the board regarding remote learning and stated that she believes the district finally has a remote learning delivery solution that is best for staff and students at every grade level. Mr. Hamman stated Mr. Turson has updated the board along the way and is happy with the open communication and hopes to see that continue.
2. **Other** The Board moved the November 16, 2020 meeting from 6:30 pm to November 16, 2020 at 4:00 pm. The board discussed a weighted grading scale and the impact it could have on students qualifying for scholarship money when applying to colleges. Mr. Turson stated that weighted and non-weighted GPA are on transcripts sent to colleges. Mr. Turson stated he would ask Mr. Neal and Mr. Morabito to come to a board meeting to explain the weighted versus non-weighted grading scale.
