Treasurer

December 3, 2020

Plymouth-Shiloh School Community,

With the current community spread of the COVID-19 virus and a Level 4, Purple alert level for Richland County our district Reopening plan specifies the safest option for our students and staff is to continue to provide instruction remotely (at home for students) through January 8, 2021. This is a change of the plan communicated in a letter on our district website on November 23, 2020. It is our goal to return to face to face instruction in all buildings on Monday, January 11, 2021 if at all possible. The scheduled Holiday Break will remain the same.

Please be assured that we value the importance of instruction face to face with our students and every measure will be taken to safely return to this method of lesson delivery as soon as possible. Student and staff safety will continue to be our priority as we navigate through this pandemic.

Thank you for your continued understanding and support of the Plymouth-Shiloh Local Schools. We will continue to strive to provide the best education possible for all students while making safety a priority. Please stay safe, wear your mask, wash your hands frequently, and social distance to help our students return to our buildings on Jan. 11.

Sincerely,

Brad Turson
Superintendent
