A student at Plymouth High School has tested positive for COVID-19. This identified positive student was in attendance at school on Wednesday, January 13, 2021. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive student. Students and staff notified of being a close contact will be informed when they can return to school.

All students and staff should follow quarantine guidelines provided if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.
