

To: Parent(s)/Guardian(s)/Staff/Students of the Plymouth-Shiloh Local District

From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Monday, January 25, 2021 11:00 am

A Shiloh Elementary teacher has tested positive for COVID-19. The identified positive teacher was not in contact with any students within the time period suggested for contact tracing. Contact tracing protocols have been followed to identify students and staff who were in close contact with the identified positive teacher. Any students and staff identified in the contact tracing have been notified. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this continuing COVID pandemic.
