Plymouth-Shiloh Schools proudly serves approximately 750 students in grades PreK-12. We offer students a broad range of academic and extra-curricular opportunities that focus on college and career readiness. Career and technical programs are available to juniors and seniors at the Pioneer Career & Technical Center in Shelby. We also have students enrolled in Ohio's College Credit Plus (CCP+) classes at various colleges/universities. The district serves students from Richland, Huron and Crawford counties including the villages of Plymouth and Shiloh.

The school community is driven to operate in a continuous improvement environment that strives to best serve all students. "Big Red Pride" and district traditions encourage all to participate in the district culture with an emphasis on serving. The teamwork and collaboration between the board members, administration, dedicated teachers, support staff, and community partners make our schools a special place to attend. We believe that when student success comes first our student growth will be evident and worthwhile. The Plymouth-Shiloh School District is committed to providing a positive educational experience for all students.

The district website is hosted at [www.plymouthshilohsd.org](http://www.plymouthshilohsd.org) We also communicate using social media [www.facebook.com/Plymouth-Shiloh-Local-School-District](https://www.facebook.com/Plymouth-Shiloh-Local-School-District) and @PrideBigRed (Twitter). Please check these sites frequently for the latest information about our school district.

### Vision

The Plymouth-Shiloh Local School District will provide a quality education in a safe and caring environment. Upon graduation, all students will be prepared for continued education and to begin an independent and responsible role in society as productive workers, good citizens, and dedicated family members.

*Our Vision is to educate students to their maximum potential, to prepare them for success, and to become responsible and productive global citizens.*

### Mission

Plymouth-Shiloh Schools  
Pride and Dedication  
Excellence in Education

*The Plymouth-Shiloh Schools provide a challenging and engaging education. The teachers, administrators, and staff believe in the equal worth and dignity of all.*

#### Elementary Building Goals:

**Goal 1: The elementary school will continue to focus on the science of reading to increase student's proficiency in reading by using research based programs Heggerty and Phonics, supported by grants: Striving Readers and CLSD, in conjunction with the Mid-Ohio Educational Service Center Support Team.**

**Goal 2: The elementary building will continue to restructure and refine our Positive Behavioral Interventions and Supports program to continue to decrease the number of suspensions and increase the number of positive referrals to develop a supportive and nurturing learning community.**

#### Middle School Building Goals:

**Goal 1: To provide an educational environment geared towards taking care of the whole child and ensuring the health and safety of our students and staff.**

**Goal 2: To continually improve as educators and instructors in our use of data and intentional use of researched based strategies to best serve the needs of all of our learners.**

#### High School Building Goals:

**Goal 1: To provide an educational environment geared towards taking care of the whole child and ensuring the health and safety of our students and staff.**

**Goal 2: To continually improve as educators and instructors in our use of data and intentional use of researched based strategies to best serve the needs of all of our learners.**
