From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Tuesday, April 20, 2021 8:30 a.m.

A member of the Plymouth-Shiloh Local Schools support staff has tested positive for COVID-19. This identified positive staff member was in attendance at work on Monday, April 19, 2021. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive staff member. Upon recommendation of the Richland County Public Health Department all students and staff who were in close contact with the positive staff member should quarantine for ten days. Students and staff notified of being a close contact will be able to return to school on Friday, April 30, if they do not experience any COVID symptoms during the quarantine period.

All students and staff should begin quarantine at home if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.
