College Credit Plus Courses - Will be added to student fees if class is failed

If an NCSC faculty member comes to our building

80.00 per College Credit Hour if they fail

If Class is taught at the college (NCSC)

166.28 per College Credit Hour if they fail

(I do not have a contract on this info for NCSC)

Based on passed charges to our students.

If student fails a class at another college?

I do not know how that affects us at this time.

College Classes offered here at the high school - failures will be added to student fees:
