

To: Parent(s)/Guardian(s)/Staff/Students of the Plymouth-Shiloh Local District

From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Monday, August 30, 2021 4:00 PM

A student at Shiloh Middle School has tested positive for COVID-19. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive student. Students and staff notified of being a close contact will be informed by the Richland Public Health Department when they can return to school.

It is recommended that students and staff follow quarantine guidelines provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.

**Do not send students to school if they are showing symptoms of COVID**
