A student at Plymouth High School and three (3) students at Shiloh Elementary have tested positive for COVID-19. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive students. Students and staff notified of being a close contact will be informed by the Richland Public Health Department when they can return to school.

It is recommended all students and staff follows quarantine guidelines provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.
