

To: Parent(s)/Guardian(s)/Staff/Students of the Plymouth-Shiloh Local District

From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Thursday, August 26, 2021

A Shiloh Middle School staff member has tested positive for COVID-19. The identified positive staff member was not in contact with any students within the time period suggested for contact tracing. Contact tracing protocols have been followed to identify students and staff who were in close contact with the identified positive staff member. Any students and staff identified in the contact tracing will be notified by the Richland Public Health Department. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this continuing COVID pandemic.
