One (1) student at Shiloh Middle School has tested positive for COVID in the past twenty-four hours. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive student. Students and staff notified of being a close contact will be informed by the Richland Public Health Department when they can return to school and/or guidelines to follow.

It is recommended all students and staff follows quarantine guidelines provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.
