

To: Parent(s)/Guardian(s)/Staff/Students of the Plymouth-Shiloh Local District

From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Tuesday, November 02, 2021 4:00 PM

One (1) student at Plymouth High School has tested positive for COVID in the past twenty-four hours. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive student. Students and staff notified of being a close contact will be informed by the Richland Public Health Department when they can return to school or guidelines to follow to remain at school.

It is recommended all students and staff follows quarantine guidelines provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this difficult situation.
