Date: Tuesday, November 09, 2021 4:00 PM

It was reported today that one (1) student at Shiloh Elementary School, and one (1) district staff member tested positive for COVID-19. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive students and staff. Students and staff notified of being a close contact will be informed by the Richland Public Health Department of recommended quarantining procedures and/or guidelines.

It is recommended all students and staff follows quarantine guidelines and/or procedures provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this ongoing COVID-19 pandemic.
