From: Plymouth-Shiloh Local Schools Administration, Superintendent's Office

Date: Monday, December 13, 2021, 4:00 PM

One (1) student at Shiloh Elementary has tested positive for COVID in the past twenty-four hours. Contact tracing protocols will be followed to identify students and staff who were in close contact with the positive students. Students and staff notified of being a close contact will be informed by the Richland Public Health Department when they can return to school or the procedures to follow to remain in attendance at school.

It is recommended all students and staff follows quarantine guidelines and/or procedures provided by the Richland Public Health Department if identified as a close contact. Please contact district building administration if you have any additional questions. Thank you for your cooperation and understanding during this continuing situation.
