Board of Education Report:

1. **Communications/Visitors** Several coaches and community members addressed the board in support of keeping Marty McKenzie as Head Basketball Coach. They vouched for Mr. McKenzie's character and passion for Plymouth's student athletes. They expressed their support in bringing Mr. McKenzie back as head basketball coach and stated it would be unfair to allow a few parents speaking out to result in his removal as Head Basketball Coach. Several parents addressed the board and reiterated their concern for the Boys' Basketball Program. They stated their position had nothing to do with Mr. McKenzie as a person or his character, it was solely about the lack of development and improvement with the program. The parents stated they only wanted what was best for the program and kids going forward. Mr. Turson pointed to the agenda and the recommendation to non-renew all supplemental positions for next school year, which is standard practice every year. After the non-renewal, all positions will be posted and the current coaches (as well as other candidates), can apply. A recommendation will be made to the Board based on all applications submitted.
