

May 2022

Can you believe it? The end of the school year is almost here. The students have grown so much and are ready to move on to 7th grade.

Greetings

Reminders

Awards Assembly: May 25
Field Day: May 26
Last Day of School: May 26

Special Things to Share

We want to say thank you for allowing your students to attend Camp Nuhop. The students had a great time. We enjoyed watching them get pushed out of their comfort zones and try new activities.

The students will be going to Altitude for giving their best efforts on the state tests. The 6th grade student council members will be going on May 16th and the rest of the 6th graders will be going on May 20th.

Students are working hard to earn Combos in Reading Plus. A Combo is earned when a student achieves a comprehension score of 80% or higher on two consecutive lessons. Congratulations to the following students who have earned 25 COMBOS: Wyatt Leisure, Bently Taylor, Makayla Ashby, Kale Carpenter, Bella James, Ryleigh Johnson, and Isak Strom.

Learning Focus

Science: Working on our physical science unit. Lots of fun experiments with this unit!

Math: Finish Statistics. Geometry Unit: Find the area of polygons, find the surface area using nets, and find the volume of 3-D shapes.

Social Studies: Finish government and economics

ELA: We will be reading our final novel of the year: Among The Hidden

To Remember

Students were sent home with an ABC countdown till the end of the year. Please refer to the paper to see what activity we are doing each day!
