Dear Parent/Guardian(s),

As we continue to prepare for the 2023-2024 school year, we would like to stress the importance of parents/guardians filling out the FinalForms information that is required for each student in our district. This information is vital in case of an emergency or any other information that we may need to know about your child. If we do not have this information, it could result in the following:

1. Schedules, chromebooks, etc. cannot be picked up if forms are not completed
2. Extra-curricular activities including, dances, field trips, after school activities, and/or special school events will not be permitted unless forms are completed
3. Athletes cannot participate in sports/practices unless forms are completed

Please go to: <https://plymouthshiloh-oh.finalforms.com/> and follow the prompts to create your account, create your students and sign your forms. We do have a computer in the office for anyone that is not able to complete final forms at home.

Thank you for your assistance in streamlining our paperwork processes at Plymouth-Shiloh Local Schools.

Sincerely,

Mark Genders
Principal
