

Shiloh Elementary

NEWSLETTER OCTOBER 2023

Parent-Teacher Conferences

Our yearly Parent-Teacher Conferences are set to happen on Thursday, November 2nd from 8 a.m. to 7 p.m.

Our teachers welcome the opportunity to talk with you about your child's progress, strengths and areas that need some work. They will share grade cards and information regarding literacy testing that took place at the beginning of the year.

Thank you for taking time out of your busy schedule to come and talk with your child's teacher. The home/school connection is so important.

PBIS Highlights

We have made it through the first nine week of PBIS. Students have been busy earning points from their teachers for good behavior. They also have the opportunity to earn tickets from the bus drivers, office, cafeteria and Lifewise for good behavior.

The first nine weeks reward was held on a cold and windy October 31st day. Students were treated to a hay ride, corn hole and apples with caramel.

Keep up the great behavior so you can join us for the 2nd nine weeks reward in January.

Important Dates

Friday, 11/3 - No School

Wednesday, 11/22 -

Monday, 11/27 -

Thanksgiving Break

No School

Friday, 12/8 - 2 Hr

Delayed Start

Friday, 12/22 - Last Day

before break -

Early Release

Monday, 12/25 -

Wednesday, 1/3 - Winter

Break - No School

Change In Day

If your child has a change in the way that they go home, we need a note sent in at the beginning of the day. Phone calls are reserved for emergencies.

Fundraiser Success

Thank you to all of the families that were able to support the elementary fundraiser this year. Students that sold 3 or more items were treated to a magic show. Students also earned a couple of sweet treats (Rader's Old Fashioned Ice Cream and Hawkins Millers cupcakes).

Our top seller was first grade student Kylan. He sold 91 items. Thank you Kylan and your family for your support.

The cafeteria is a busy place during the lunch hour. We are working on encouraging positive behavior by awarding a "Golden Spatula" to the class that cleans up after themselves, eats quietly and generally behaviors in the cafeteria. Please ask your child is their class has won the Golden Spatula yet.

Golden Spatula

Lost and Found

This seems fitting:
"Ordered new coats for my kids and for convenience, I had them shipped directly to their school's lost and found section."

Please put your child's name inside their coats.

TARDY

We have a lot of students coming in tardy each morning. Students are tardy after 7:50 a.m.

Families that are dropping off at the side drop off door need to work to get here before 7:50 a.m.

If you miss the opportunity to drop off because you are late, adults must walk students into the building and sign them in. These minutes do add up on your child's attendance each nine weeks.

"If you see someone without a smile, give them one of yours."

AFTERNOON PICK UP

Reminders:

- If your child struggles with opening the door, please practice at home.
- If the booster seat is not on the sidewalk side, please relocate it for ease of loading.
- Remind your child to wait until the car has stopped before they try to load.
- Please do not cut the line if you arrive after the line has already formed.
- Office pick up in the afternoon is only for appointments that occur shortly after school is out. Please send a note if an office pick up is needed.

Please Call

Please call the elementary office, 419-687-8200, when your child is unable to attend school. We worry when we don't hear from our friends. Also, just a reminder that vacations need to be prearranged with the office before you leave. This notice will give the teachers time to prepare work that your child is missing.

Girls in Motion

We had lots of 3rd and 4th grade girls sign up for Girls in Motion this year. This is a fun paced way to get exercise and have fun while doing it. Miss Rader is the leader of this great group that meets on Mondays. Girls that signed up are reminded to wear tennis shoes on the day that you need to stay and to bring a parent note to remind the teacher that you are staying after school.

FAMILY ENGAGEMENT

Feed your child's brain. **15 minutes each day.** Read aloud every day to develop vocabulary and social-emotional bonds. Pick a time each day and set a timer to help yourself get into the routine.

PBIS REWARD
